

STUDENT SUPPORT SERVICES PROGRAM RECEIVES FUNDING THROUGH 2010

In April, Sampson Community College was notified by the U.S. Department of Education that the College's Federal TRIO Student Support Services Program is refunded through August 2015

Student Support Services, now in its 30th consecutive year at SCC offers eligible students assistance with meeting their individual goals. Participants, who include first generation, low income and/or disabled students receive ongoing academic support aimed at increasing their retention, graduation and 4-year college transfer rates.
