

**Year Round Pell Grant Policy**  
**Sampson Community College**  
**Effective July 1, 2010**

- **For Summer Semester, 2009-2010**

Beginning with the 2009-2010 academic year, students are eligible to receive up to two (2) scheduled awards (200%) per year of Pell grants. For the Summer Semester, 2010, Sampson Community College will pay Pell grant out of the 2009-2010 year (as a "trailer") during the transition period for the new Pell grant awards. If students use their first scheduled award, and they enroll in a minimum of six (6) credit hours, they can be eligible for a 2nd scheduled award. Students must have one hour which would go into their second year. For example, Sampson Community College defines its year as 24 credit hours; if the student receives a full-time award for the Fall Semester, 2009, and for the Spring Semester, 2010, and enrolls in six (6) credit hours or more for the Summer Semester, 2010, they would receive Pell grant for the summer payment period from the 2009-2010 year, providing they are otherwise eligible based on Satisfactory Academic Progress. Pell Grants for a payment period may be combined using the first and second scheduled awards if the student is eligible. For the Summer Semester, 2010, only, no consideration will be given to 2010-11 student eligibility during the cross-over payment period and no consideration will be given to academic progression requirements.

- **For Summer Semester, 2010-11**

For the Summer Semester, 2011, Sampson Community College will consider the term to be a "cross-over" payment period and will pay Pell grant out of the 2010-2011 or 2011-2012, whichever award year provides the student with the most Pell grant eligibility. Students must have a valid ISIR on file for the designated year which is used to determine Pell Grant eligibility. If students use their first scheduled award and they enroll in a minimum of 6 credit hours they can be eligible for a 2nd scheduled award. Student must have one hour which would go into their second year. For example, Sampson Community College defines its year as 24 credit hours. If the student receives a full-time award for the Fall Semester, 2010, and for the Spring Semester, 2011, and enrolls in six (6) hours or more for the Summer Semester, they would receive Pell Grant for the summer payment period from the 2010-11 or the 2011-12 award year based on whichever will provide the largest scheduled award, providing they are otherwise eligible based on Satisfactory Academic Progress. Pell Grants for a payment period may be combined using the first and second scheduled awards if the student is eligible. For the Summer Semester, 2011, students will also need to meet applicable academic progression requirement to receive a 2010-11 award, or they may be eligible for a first scheduled award from the 2011-2012 year.

For the summer terms in all subsequent years after 2011, the rules applied for the Summer Semester, 2011, will be applied using the correct aid years as determined by federal regulations.
