Jessica Kidd Receives the Joan Keller

Jessica Kidd recently attended the Phi Theta Kappa Carolinas Regional Convention held in Clemmons, NC. She was the 2010-2011 recipient of The Joan Keller Scholarship Award. Jessica received a scholarship and was also presented with a plaque in honor of receiving the scholarship. The Joan Keller Scholarship is awarded to active Phi Theta Kappa scholars who have demonstrated servant leadership on campus and / or in their community. Jessica is very involved with the college and serves as an SCC Ambassador, Secretary for the SGA , and Vice President for a newly formed campus ministry club called S.T.A.N.D. She is also very involved in her church and community and serves as a volunteer fire fighter. As her Senior Project for high school, she organized a benefit / sing fundraiser to help a local church that had burned. With hard work and determination she raised almost \$9,000.00.

PTK is Cleaning Up Green!!!

Phi Theta Kappa is an active participant in the Keep NC Clean and Green Campaign. On Saturday, March 26, 2011, they went out and pulled their duty for Adopt-A-Highway on Boykin Bridge Road.

They all found interesting objects from clothing items from head to toe all the way to mystery bags of trash on the sides of the roads and in the gutters. Although the amount of trash found as disheartening, it reminds us all that we have a great responsibility to dispose of our trash property and to keep our streets clean and safe.

Thank you all to those who pitched in to get it done!

Disability Services

For post-secondary institutions, under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act, a person with a disability is considered to be someone:

- With a physical or mental impairment which substantially limits one or more major life activities;
- With a record of such a disability;
- Is regarded as having such.

Some examples of impairments that can have a substantial impact on a major life function are, but not limited to the following:

- Blindness/visual impairment
- Cerebral palsy
- Deafness/hearing impairment
- Epilepsy or seizure disorder
- Orthopedic/mobility impairment
- Specific learning disabilities
- Speech and language disorder
- Spinal cord injury
- Systemic Medical Conditions
- Tourett's syndrome
- Traumatic brain injury

In addition, Section 504 protects students with chronic or treatable illnesses such as, but, not limited to:

AIDS	Diabetes
Arthritis	Multiple Sclerosis
Cancer	Muscular Dystrophy
Cardiac disease	Psychiatric disabilities

PTK—Spring Festival Drawing

Spring Fest was a success for Phi Theta Kappa! The 50/50 raffle raised over \$500 and the proceeds will go to the Construction Club here at Sampson Community College to build wheel chair ramps. Our lucky winner is Denise Hudson, an early college student, here at Sampson! Thank you for your contribution and congratulations.
