SCC Foundation Celebrates Annual Success

By: Erica Jones

The Sampson Community College Foundation held the Annual Meeting on Aug. 5 at the Victor R. Small House to celebrate the success of the 2009-10 year and gear up for the upcoming year.

Retiring Directors Ann Turlington, Doug Parsons, Billie Poole, Kenneth Royal, Ronnie Honeycutt and Rebecca Willis were thanked for their dedication and given a gift of appreciation for their honorable service. The Foundation welcomed new Directors Dee Bryant, Gary Mac Herring, Alison Bradshaw, Merrie McLamb, and Bill Fulton. New leaders Bryant, Bradshaw and Fulton are natives of Clinton while Herring resides in Newton Grove and McLamb is a retired educator from Harrells. They collectively agree that the SCC Foundation is a treasured resource that enriches lives in and around Sampson County. Incoming director Gary Mac Herring says he is eager to serve in this new role. "SCC is a valuable resource for our local citizens, and I'm excited to be a part of this vital organization."

Steve Stefanovich, who has served as President of the Foundation for the past two years, was recognized for his outstanding leadership and generous support. John Prestage, of Prestage Farms, Stefanovich's successor, was installed as the new President with Chuck Spell of Schindler Elevator Corporation named as Vice President, Doris Gore as Secretary and Todd Johnson of Black, Chestnutt & Johnson PA as Treasurer. Lisa Turlington, Executive Director of the SCC Foundation, recognized Stefanovich's service. "Steve has been a wonderful President for the Foundation who has given freely of his time and energy. He helped make my transition into this new job smooth and fun, and I know that he will continue to work on behalf of the College Foundation."

Turlington concluded the meeting with a positive reflection on the past year's successes and an even brighter outlook for future endeavors. "We're looking forward to a successful year of supporting the students, staff and programs of the College. The Foundation has a rich history of helping educate the people of Sampson County. Many long time Directors are still actively involved and will help initiate the new Board members."

PHI THETA KAPPA—ACADEMIC HONOR SOCIETY AT SCC

Phi Theta Kappa, the honor society for two year colleges is present on the Sampson Community College Campus. Current members are asked to prepare for a busy year with many opportunities for service, recognition and leadership.

Congratulations to Jessica Kidd, PTK current member, who recently received the Joan Keller Scholarship from the Alpha Omega Carolinas Region Alumni Association. Jessica is in the Associate Degree Nursing Program and has been active in SCC's PTK this past year as a stellar member. She will be recognized in Charleston, South Carolina on November 19-21, 2010. (Jessica is the daughter of our own Shelby Kidd who works in duplicating).

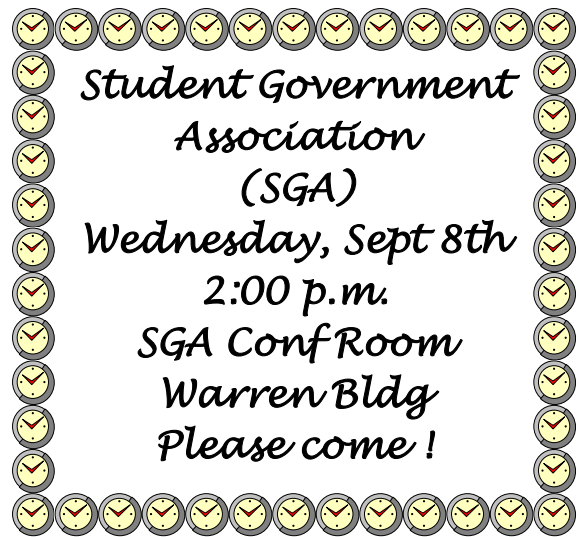

The first PTK meeting for 2010-2011 school year will be on Wednesday September 1 @ 4PM in the Warren Board Room. Please join us as we need ALL members to plan our membership drive to help recruit new members who qualify academically.

Educational Opportunities Centers Program

Deciding where to go to college, figuring out how to pay for it, and completing all the necessary forms are complicated. The EDUCATIONAL OPPORTUNITY CENTERS PROGRAM based at Fayetteville State University, North Carolina—like 84 other centers in the U.S. funded by the federal government—is set up to help you gather the necessary information to make good decisions about your future educational plans, think clearly through the available options, and ensure that you receive all the financial aid to which you are entitled.

Disability Services:

What About Documentation?

Documentation of disabilities is necessary in evaluating requests for reasonable accommodations and/or auxiliary aids. Students with specific learning disabilities must provide psychological testing reports to receive services. Depending upon the disability, proper documentation or a signed consent form must be provided which includes the following six elements:

1. A diagnostic statement identifying the disability, date of the most current diagnostic evaluation, and the date of the original diagnosis;
2. A description of the diagnostic tests, methods, and/or criteria used;
3. A description of the current functional impact of the disability which includes specific test results and the examiner's narrative interpretation;
4. Treatment, medications, and/or assistive devices/services currently prescribed or in use;
5. A description of the expected progression or stability of the impact of the disability over time, particularly the next few years;
6. The credentials of the diagnosing professionals if not clear from the letterhead or other forms.

Also, recommendations for accommodations, adaptive devices, assistive services, compensatory strategies and/or collateral support services are considered. All documentation is considered confidential and does not become a part of the students' academic record.

SAMPSON COMMUNITY COLLEGE

COMPASS PLACEMENT TESTING SCHEDULE

Sampson Community College uses placement test results to place students in the appropriate starting level courses or developmental courses. COMPASS is an untimed, computer-adaptive test. The test covers three content areas: Writing, Reading and Mathematics. **To reserve your test session, please call the Admissions Office at 910-592-8084.** If you must cancel or reschedule an appointment, notify the Admissions Office before your appointment. Students required to take the COMPASS exam cannot register until the tests have been taken. Please arrive at the test site at least ten minutes prior to scheduled session and bring a photo I.D. and approved calculator. If you have any questions, you may contact the Student Services Department at (910) 592-8084.

If you have a documented disability (either a physical or learning disability) and need special accommodations for taking the placement test, please make prior arrangements with the Director of Admissions at (910) 592-8084.
